

Travel to Ghana with Afroboujie

Afroboujie curated by Kofi Odum is a subsidiary of Progressive Innovative Concepts, INC (PICINC) a Ghanaian owned Sacramento, CA based Events, Travel and Relocation company with services to the US Military, Cooperations, Private and Public Groups. The Afroboujie brand produces upscale events globally focusing on people of African descent as well organizing group travel to the motherland with a fully staffed office in Ghana, West Africa. With it tours, Afroboujie organizes trips to Ghana, Morocco, Egypt, South Africa, and Tanzania.

“Akwaaba” (welcome as we say it), I want to officially welcome you abroad as we travel to reconnect with our ancestors. Ghana, formerly known as the “Gold Coast,” is conveniently located on the West Coast of Africa and geographically located at the center of the earth (Intersection of the Equator & Prime Meridian). It is also home to countless breathtaking adventures, beautiful views, rich culture, and flavorful foods.

Be prepared for a life changing experience as we visit the biggest slave Castles in the world where an estimated 70-80% of all slaves from the continent transitioned from the Motherland via slave ships to various destinations. We will explore and hear the stories of the last days of our African ancestors in addition to life changing experiences.

You will also join the Ghanaian Community to celebrate their rich culture and traditions while partying with their vibrant entertainment and nightlife as well as relax and shop. Do not worry, we have built in some free time for you also.

As a proud Ghanaian, may I take this opportunity to express my gratitude and appreciation for allowing us and my partners to coordinate this historic and impactful cultural journey to the land and shores where it all started.

I trust and hope that your stay will be enjoyable, impactful, and memorable. Please see below pricing and trip details for your consideration.

Sincerely yours,

Traveling Alone?

While the option is there for you to get a single occupancy room if you choose, by no means do you have to select it if traveling alone. We understand that the extra money spent on getting your own room takes away from the money available to for you to splurge while on vacation.

For that reason, we extend each traveler the option of having us pair you with a suitable roommate for no additional cost. Roommates are paired based upon the answers to their personality questions on their registration form, as well as their ages and even astrological signs. Most importantly the vibes at one of our pre travel meet ups brunches. Prior to departing you will be given the contact information of your roommate, giving each of you the opportunity to get properly acquainted.
